Thanks for the call yesterday, it was encouraging and I look forward to getting the outstanding balance paid off.

In the meantime, please continue to show us good faith and send us wires to the best of your ability. Attached you will find a statement showing your current balance.

As can see, we applied some of your past wires to pay off the 1<sup>st</sup> Warehouse storage invoice and the balance has been applied to the Antminers.

Could you send us a wire as soon as possible to, at the very least, pay off the most recent Warehouse storage invoice?

Much appreciated.

Good luck with your upcoming funding closing.
